Hi Doron,

After a long time, we finally got to the granting committee at Skolkovo Foundation. I'll present there next Wednesday (November 20) and the decision will be made by the committee members the same day. Our current grant application is for ±$2.5m.

I believe it could be valuable if EB will call Vekselberg to mention us. He can remind Veksleberg that Parasight was named the 500th resident of Skolkovo during the International Economy Forum in St. Petersburg, and that Vekselberg awarded us personally during the event a voucher for 3 years rent in Skolkovo Technopark. Hopefully Veksleberg will drop a word to the committee decision makers.

If you think more information is required for this, please let me know.

Thanks,
